

ARTIST INFORMATION

PACKAGE 2021

April 1, 2021

Hello Artists and Creatives,

I'm happy to reach out to you all again as the Arts Coordinator of this year's **Hay Days Festival** – a regional celebration of music, arts and culture to share this Artist Information Package. We invite NWT resident artisans to participate in our event which will be hosted by the Rotary Club of Hay River Sunrise, registered under the NWT Societies Act as number 701594.

Our previous festivals have been great successes and the 2021 stage is being set to host five days of our “**10th Release**” celebrations filled with workshops, musical performances, arts & crafts vendors, community engagement and additional youth & family events. Yes, ten years of festivals already – and so many of you are repeat supporters that we'd love to welcome you back to celebrate.

Mark your calendar for June 29 to July 3, 2021 and be sure to invite NWT family and friends to Hay River for a visit – they'll be glad you did!

I have attached our Artist Information Package for your consideration and to encourage you to contact me at arts@haydaysfestival.com with any questions about how we can help you attend our festival.

You can also complete and submit the form online at www.haydaysfestival.com/home/arts . We encourage you to submit your application no later than April 30, 2021 along with applicable workshop information if you are prepared to instruct. Vendor tables and workshop opportunities for artists will be reviewed as received and there are a limited number of spaces available.

All facilitators will be asked to provide photographs of the completed project for their planned workshops prior to our online website registration opening to the public. We recommend that you plan workshops that will not require running tap water or electricity for this year, and keep in mind that masks may be required as well as social distancing for your maximum participants.

Our committee looks forward to a fantastic schedule of events celebrating music, arts and culture and we hope that you'll join us in the festivities celebrating NWT creatives!

Due to COVID-19 all bookings, travel, venues and workshops are subject to change/cancellation. Workshop fees and materials will not be paid for cancelled events.

Sincerely,

April Glaicar
