## PACKAGE 2017

May 1, 2017

Hello Musicians,

The Hay Days Festival is looking for musical performers, solo, duo, and band format to perform at this year's festival. There will be performances on the evening of Thursday July 6, at the Hay River Museum and multiple downtown licensed venues (bars). On Friday, July 7, and Saturday, July 8, the performances will be on the outdoor stage at the beach venue as well as at the Fisherman's Wharf on Saturday afternoon.

In 2014 & 2015, the main events of Hay Days were held at the beach near the mouth of the Hay River into Great Slave Lake. On a site nestled next to the renowned (former) shipping company, NTCL, the festival was steeped in the magic of the river, the lake and the tugs that plied those waters that have shaped so much of this community's history and character.

This year, Hay Days has moved under the banner of the local Rotary chapter, and this new arrangement has brought much to the festival. We are confident that we will be hosting the biggest and best Hay Days staged to date. We sincerely hope you will consider being a part of it.

At this point with our budget, we will be able to pay each performer a minimum of \$50.00 per performance, with at least two performances guaranteed. For bands traveling from out of town there will also be \$500.00 allotted for travel expenses, and for single performers, there will be \$250.00 allotted for travel expenses. Accommodations will be provided based on two people per room, plus a \$25.00 per day food allowance.

If you would like to participate in the 2017 Hay Days Festival please fill out the accompanying application form and return by e-mail to the [music@haydaysfestival.com](mailto:music@haydaysfestival.com).

We are very excited about the 2017 Hay Days Festival as it is shaping up to be the most comprehensive and exciting festival yet. Looking forward to hearing from you, and seeing you at the festival.

Yours truly,
